

# Lutheran Bible Translators (LBT)

*Spread God's Word  
Through Print and Audio*  
**\$97,344**

The LWML shares God's love with Bible-less people in Ghana, Botswana, Namibia, and Nigeria with a grant for Lutheran Bible Translators (LBT) to produce both print and audio materials that tell the Good News of Jesus in the heart languages of these people.

Nigerian children understand the importance of reading God's Word in their own language. This young boy is holding a Scripture booklet published by LBT.

A portable recording studio becomes the center of village attention as LBT missionary Kedra Larsen Kinney supervises the recording of Scripture portions and local hymns. The recordings provide access to Scripture for those who cannot read it for themselves.

*We pray together...*

Dear Lord, God and Savior, hear our prayer for LBT and the work these missionaries are doing among the people in Africa. Bless them through this grant to be able to produce many Bibles and other printed and audio materials that will speak to the hearts of the people there. May these Christian brothers and sisters grow in their faith through the use of these materials. May they also bring many more to know You, their only hope for eternal life. We ask this in Jesus' name. Amen.
