

Outreach to At-Risk Children

Detroit, Michigan
\$55,000

LWML shares God's love with at-risk children and teens in Detroit, Michigan, by enabling Lutheran City Ministries (LCM) to work through an After School Tutoring and Mentoring Ministry, sports, a Music Education Ministry, Saturday Camp and meal programs, with some of the more than 2.5 million people in Detroit who do not yet know Jesus.

Music Education provides opportunities to perform in a concert choir. The goal is to develop the next generation of musicians to serve the church. The children sing with the joy of the Lord.

LCM children gather to hear the Christmas story and to share the anticipation of the coming of the Christ Child. The Christmas celebration always includes a shared Christmas luncheon.

We pray together...

Dear Savior Jesus Christ, two thousand years ago You fed the hungry crowds. You taught them, healed the sick, and then suffered, died and rose again to win salvation for all. Today many of the children living in distressed neighborhoods in Detroit lack the basic provisions they need to grow in knowledge for this world and life hereafter. Bless this grant to LCM to enable their programs to continue to reach out with Your love to young people providing them with nourishment for their bodies and souls. In Your name we pray. Amen.
