

# Crow Indian Ministry *Montana*

\$69,999.64

LWML shares God's love with Crow Indians in Montana as they fund work done by Crow Lutheran Ministry. Rev. Dan Jacobs serves many communities on the reservation by sharing the love of Jesus through Bible studies, Sunday schools, youth programs and worship services with Native Americans who are learning to trust Jesus as their Lord and Savior.

Merri and her twin (not pictured) were baptized on Easter Sunday.

The youth group from Under the Shadow of His Wings Lutheran Church designs and creates a new banner.

*We pray together...*

Creator God, Your people in the Crow nation have been introduced to the truth of Jesus' love and salvation by the caring ministry of Rev. Dan Jacobs. Although financial shortages have threatened this ministry, Rev. Jacobs has agreed to continue serving at a reduced salary. Use this LWML grant to support his work among the Crow people and bless many more as they become Your children through the outreach programs done in Montana. Let us all one day be part of the "great crowd" praising Jesus in heaven, in Whose name we pray. Amen.
