

Grace Place for LCMS Missionaries

\$75,000

LWML shows God's love to LCMS missionaries by funding three LCMS International Missionary Grace Place events in Asia (2012), Eurasia (2013) and Latin America (2014), to guide and nurture missionaries and their families to stay healthy physically, emotionally, relationally, fiscally and spiritually as they serve God in often very stressful settings in foreign mission fields.

At least a dozen retreats are held each year for pastors, teachers, DCEs, parish musicians, seminary students, parish nurses, and other church workers. Through retreat activities, participants meet the Grace Place objectives to reflect, restore and re-energize. By becoming healthier in body, mind and spirit, they are freed to share the Gospel message of hope and healing in Christ.

We pray together...

Dear Lord of the Harvest, You have called many dedicated workers to labor in the fields here at home and throughout the world. Often Your servants meet with much stress as they seek to introduce the lost and erring to Your loving Son Jesus Christ and the sure hope of eternal life through faith in Him. You have blessed Your church here in the United States with Grace Place Events which nurture and train these dedicated workers to stay healthy in all ways to better serve You. Please bless the three events funded by this LWML grant and strengthen Your workers in international fields to better perform the tasks You have given them to do. In Jesus' precious name we pray. Amen.
