

Two Graduate Scholarships for International/ Minority Students

\$50,000 *Concordia Seminary,
St. Louis, Missouri*

LWML shows God's love to two international or minority seminary students at Concordia Seminary, St. Louis, Missouri, by providing scholarships to assist with housing and tuition expenses so that they may pursue their studies and become fully trained to serve as pastors in international partner churches or in ethnic congregations in the United States.

We pray together...

Heavenly Father, Redeemer and Holy Spirit, we are blessed as a church to partner with international churches to share the Good News of salvation with many in other countries. Now You have called two men into full-time service as pastors as they complete their training at Concordia Seminary, St. Louis, Missouri. This is a challenge for them because their funds are very limited. Open our hearts to offer enough money to support these willing servants with tuition and housing expenses. Bless their studies at the seminary and especially be with them as they share the Gospel with their people and through the power of Your Word lead many new believers to eternal life in You. In Jesus' name we pray. Amen.
