MISSION GRANT STORY

SUPPORT FOR LUTHERAN ORPHANAGES—HAITI \$70,000

In January 2010, a devastating 7.0 magnitude earthquake struck the impoverished Caribbean nation of Haiti, causing massive loss of life and property, especially in southern Haiti. Since that time Lutheran Church Missouri Synod (LCMS) World Relief and Human Care has been actively engaged in relief and recovery efforts, providing every level of humanitarian aid.

Official reports indicate that over 300,000 people were injured and over 16,000 amputations were done following the earthquake. Many of the amputees and injured were children whose parents died during the earthquake.

Orphanages have sprung up across Haiti in an attempt to care for the children who are victims of this tragedy, but the need is still overwhelming. Thousands of children are living on the streets and in emergency camps, without adequate food and clothing.

LCMS World Relief and Human Care is working with both the Evangelical Lutheran Church of Haiti and the Lutheran Church of Haiti to build and maintain orphanages in four locations across the country of Haiti. One orphanage is already in operation and the other three should be built and in operation before the end of 2011. The urgent needs of these orphanages cannot be overstated. Together we can make a difference in the lives of children by supporting these orphanages with our prayers and mites.

This LWML Mission Grant of \$70,000 will provide food, clothing, bedding, and qualified staff for one year at two of the four orphanages.

We pray that this outreach will bring many to come to know Jesus as their Savior.

May God bless our efforts as together we
“Serve the Lord with Gladness”.
