

Mite Marathon... **Start Strong**  
**FINISH STRONG**

**JUNE 2011**

## **2011-2013 LWML BIENNIUM MITE CHALLENGE START STRONG... FINISH STRONG!**

We closed the 2009-2011 biennium mite challenge by receiving \$255,842.99 in the month of March alone. We need to start strong for the 2011-2013 biennium that began April 1, 2011 with this same enthusiasm in order to finish strong. While we wait for the delegates to vote at the convention in June, let's set a goal of at least \$78,000 needed each month as **together we continue to steadily support the work of the Lord through the LWML.**

Join your LWML sisters and brothers in Christ in activities that help bring awareness to mite giving that will help to reach the 2011-2013 biennium mite goal. **Your support is needed!**

*I consider my  
life worth  
nothing to me,  
if only I may  
finish the race  
and complete  
the task the  
Lord Jesus has  
given me ...  
(Acts 20:24).*

Add a donation for each wedding you attend this month as you offer a prayer for the bride and groom.

June is "National Soul Food Month." This can serve as a reminder of the "soul food" God provides in Holy Communion. In thanksgiving, add a donation every time you have the privilege to commune.
