CELEBRATE THANKSGIVING
IN LWML STYLE
EACH MISSION GRANT PAID
WILL MAKE IT WORTHWHILE!

THANKSGIVING WAIST A-THON

Increasing your giving can be a cinch if you donate some \$\$ for every inch!
Measure your waist one time around, don't squeeze too tight, let each inch be found.
Imagine if everyone, large or small, multiplied inches and \$\$ and gave it all.
These \$\$ our Mite Box will gladly import, with prayers for the missions the funds will support,
And the meaning of Thanksgiving could reach far and wide, and we won't feel sorry we ate extra pie!
