LWML Offers Free Leader Development Materials

The Leader Development Committee of the Lutheran Women's Missionary League (LWML) has made available free leader development resources on the LWML website. "Welcoming New Members..." and "Gaining, Training, Maintaining LWML Members" are the informative resources available as free download. The resources can be obtained by going to the following online address: www.lwml.org/resources/leader_development.

The Leader Development Committee's objective is to make women aware of available user-friendly resources through the LWML easily accessed and will support their leadership development and mentoring relationships. The committee members have been reviewing, editing, and updating program helps that were previously only available in print form for re-issue in this new format. All revised helps will still be available by ordering through the LWML store at the usual cost plus shipping and handling.

Psalm 25:5a NIV: "Guide me in your truth and teach me, for you are my God and Savior," the Leader Development Committee's theme verse, reflected the desire to provide materials to assist members in reaching out to others as they share in Good News of Christ..

Please remember LWML in your estate plan.
