

my thankfulness calendar

LWML Children's Mission Adventure | www.lwml.org

God has provided us with so many good things and we are **THANKFUL** for the gifts that He has given us!

Each day think about the things that are listed on this calendar and thank God for them during your prayer time. In thanksgiving for these things, you may also **SHARE** your gifts with God and others by putting some money into your Mite container.

The gifts you give will **HELP** children and families all over the world. These people might not know Jesus yet and you might be helping a missionary bring the Good News to them. Some people might need help cleaning up after an earthquake or receive medicine. Sometimes our money goes to helping people in our own country rebuild houses that were destroyed by floods or storms.

Wherever the money goes, it brings with it light, salvation and the love of Jesus! **PRAISE GOD** for all His good and glorious gifts!

In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven. *Matthew 5:16*
