

**Body and Soul Care for Children in India — \$50,000**

India is a neighbor in need. The Tamil Nadu District offers opportunities for us to serve our neighbor.

Girls who drop out of school are in need of vocational/educational programs to learn skills to become nurse assistants and save them from lives of prostitution or hazardous factory jobs.

In the tsunami-devastated town of Kanyakumari youth are in need of education and employment to avoid opting for a life of crime.

A grant of \$50,000 provides body and soul care through the India Evangelical Lutheran Church and its partners.

**Human Care and Pastoral Ministries Developed in Latvia and Lithuania — \$87,500**

The churches in Latvia and Lithuania are energetically training servants to reach out to generations who lost the opportunity to hear about Jesus because of Soviet control.

There is a need for housing for abused women, leadership training for the youth, and for Lutheran Bible resources for women, as well as pastoral training.

A grant of \$87,500 supports this outreach work for the people in the Baltics.

**International Student Ministry Provides Bibles and Christ-Centered Resources — \$30,000**

There are over 90 LCMS student ministry sites where International Student Ministries, Inc. (ISM, Inc.) has been encouraging the Church to reach out with intentional friendship, hospitality, and the Gospel among international students and their families on campuses of higher education.

ISM, Inc. desires to provide bilingual Bibles, Bible studies, and Christ-centered materials for all international students who desire them. An international scholar stated, "I learned so much about Jesus and the Bible in English, but I learned to love him when I read about Him in Chinese."

A grant of \$30,000 supports this ministry to international students and their families.
